## DOMINICA

Dominica is in the mood to party and wants to fuck. It doesn't take much to entice Sunny and Alex to party with her. She struts her beautiful, streamline body around and proclaims that she wants to fuck and wants to feel cocks in her mouth. Soon enough she's on her knees as the guys switch on and off giving her a cock in the mouth and the other in her pussy. Seems like she never tires and keeps fucking and sucking until the guys are all dried up. Now that's a party!

## A step-by-step guide on the erotic art of redlining

# HOW TO HAVE GUILT-FREE SEX

"Younger women are sexy, aren't they? Look at that one. Bet you'd love to strip her and suck her virgin holes," my wife whispered into my ear as she stuffed my cock into her hairless pussy. "You could fuck her, too," she added as she frigged me until I saw the pretty little cunt I was fucking. I knew how much fun it would be to teach her all about fucking and sucking and how I could play with that hot and soft body.

Ellen went on, coloring my imagination with horny details. 'When she bends over you can see her baby-cakes under that short skirt. Isn't that a pretty sight? Why not unzip and we'll pull off these nasty, tight pants.'

Ellen was stripping but I only had eyes for the little bitch I could so vividly picture, as I stood there naked and watching. I mumbled, "Let me put it into your mouth, little girl. That's it, honey. Suck on it like a candy bar. Lick it sweetie."

Just as my balls were about to burst, Ellen pulled me down into the bed and began to massage my dick with her cool hand. In a little girl voice she asked, "Mister, will you please put that nice thing into my little slit?" My stiff cock slid into her squishy, deep cunt.

I kept coming into Ellen and it was our greatest fuck, ever. But that's what I have been saying each time I plow her, since she taught me the secret of how to redline.

Some people call it word pictures in sex while others say it is nothing more than having someone, or yourself, paint a vivid fantasy to keep you hard and hot I have even read that it is a technique developed by expert lovers and sex therapists that has been used for many years to keep lovers on sexual highs for unbelievable amounts of time. It is a result of many cultures and is not just simple fantasizing. With this

method, your partner often helps and also you always set up a scenario when you fuck, suck or masturbate. The scenario makes your climaxing one that is custom made to order. You climax exactly the way you wish, at the time you wish, and where you wish. You, the sex-perts say, must always use your imagination when you fuck and by doing this, you move up to sexual highs you have never experienced before-and they last!

And you can imagine anything you want, without guilt. It's your fantasy. Some therapists call the type of fantasizing done here "redlining." This means you learn how to reach a fever pitch of sexual excitement.

Ellen said her first husband used to tell her stories that would heat her to a sexual fever pitch before he fucked her. He claimed that before water boils, it has to be heated-and that certainly makes sense, doesn't it? One time when he heated her up to practically sexual insanity, she lay spread-eagled on the pool table, her skirts above her waist and her legs spread wide. When she showed me the position, it was so stimu-

lating to me I fucked her twice, pretending to be a stranger who she'd met in a pool hall.

Tell each other true stories or just hot stories about your horniest experiences. If the truth works, use it. If not, embroider it or just wing it. That's mental masturbation. In a solo situation you can recall great fucks and cunts of the past and speak to them while you pump your prick or get off your clit. Sometimes you can do it better the second time because you have more to say about how it should go. Remember now, stories can be told or relived in the first or third person or even by the one who seeks excitement. There are no set rules. You simply play it as it lies.

One of the very first scenarios Ellen told me to bring me to the peak and which led us to the zenith of sexual awareness went like this:

"When I was younger I joined a surfer's club with a friend named Tony. I was new to surfing and the crowd, and they said I had to be initiated so they took me to Garvies Beach where they used to meet nights. I was a little queasy when they said I would have to take my clothes off but Tony and a few of the cute girls assured me I had no reason to worry.

"I went behind a bush and slipped out of my t-shirt, jeans and bikini panties. It was warm that night, but there was a trace of a fall chill in the air, and I felt the breeze on my breasts. Tony called and I walked out into the clearing, hands clasped virginally in front of my slice. My boyfriend Tony, and Janice, the freckled redhead, each took a hand and led me to where Bigg sat on a throne of sand. He was a large overweight man, with a big beer belly. He was the leader

here because his main claims to fame were three surfing championships and the fact that he once met the Beach Boys and they let him sing with them at a concert in Redondo.

"He sat there in the chill with only a pair of boondockers on his huge feet and an old pair of surfer's trunks that almost came down to his knees. They were purple and yellow and I couldn't help but notice the huge bulge in his crotch, almost the size of a softball!

"As I stood in front of him shivering, he laughed as he reached out and gripped my boob cruelly. "

"Nice tits!" he commented loudly.

"That Bigg is a riot," one of the younger girls said.

---

*I was a bit ashamed; there I was my ass high in the air, naked as the day I was born, with this big guy pumping into my ass. The shame was that I felt myself coming!*

---

"Then Tony grated, "Wanna fuck her ass, Bigg? I've had her there a couple times and she loves it."

"I was mortified. I could have killed him for saying such a thing in front of all those people. The girls were giggling already and Janice said, 'She does look like an ass-fucker, doesn't she? See how she does it, Bigg guy!'

"Tony then eased his stiff cock up my ass. Suddenly, one of them yelled, 'Hey, Tony. Your lady loves it—her hole is soaking wet!' The others laughed as Bigg pushed a couple of fingers into me. I was a bit ashamed; there I was my ass high in the air, naked as the day I was born, with this big guy pumping into my ass. The shame was that I felt myself coming! Was I sinking to their low? Did I really enjoy this? Was I just as depraved as they were?

"As I thought about this, I felt Tony's hand on my gash, sopping up the cream and pushing it into my asshole. He was getting me ready for that big hairy beast who watched, holding his dick in his hand and licking his lips.

"Then Bigg tried again. This time, to my relief, his gnarled cock slid in on a sea of semen. As he pumped me with his fat hips, Tex and Janice stood on each side and held my own hips, moving them in rhythm to his fucking. I thought my anus would tear to bits with the

strain his cock put on it. He was driving me like a wild beast in heat. Then he yelled, 'I'm shooting my fucking load ... shooting my load.'

I pumped my hips faster and Janice said, 'Right in her ass, Bigg. Right in.'

"After he jetted in me it would be all over. I found myself working my hips without help as I tightened and loosened my sphincter to his driving cock, which was beginning to feel quite good. I was working my hips with his humping and the crowd went wild. Where Janice reached down and gripped Bigg's balls in her

hand, he let go inside of my asshole. I thought I was taking an enema, he filled me so."

After I told this story to Richie, he went mad. He placed a few fingers up my asshole and then pushed a dildo into my cunt. Then he fucked me over and over until I couldn't stand it anymore but I realized he was trying, in his mind, to recreate that wonderful evening of my initiation by the surfers.

Another satisfying evening took place when Richie, surprisingly, confessed to me what he would like to do sexually to my sister. She was actually younger than I, and had just celebrated her 21st birthday when Richie announced, "I'd take that fucking bitch Ellen into the kitchen and tie her onto the table top and then mount her and push my prick into her fucking face. I'd screw her big, soft mouth like a hairless pussy and then I'd squeeze and slap those big tittles of hers. I'd push the cum into her mouth with my hand and reach back and squeeze that big ass as I got on top of her and spread her legs. Then I'd fuck the ass off the bitch as I slapped her tits and belly. "

After my loving husband whispered this to me he began to call me Ellen and I said, "I'm Ellen's sister, Ellen, I'm a dirty fucking cunt who needs plenty of cock by real men. Fuck my slutty hole you .mother fucker and give me what I need."

It was a super fuck for both of us. One favorite fantasy of mine that Ellen loved went like this:

"I gathered four of my friends together and told them my wife made a bet with me that she could outlast all of us in a sexual bout for an entire evening. They were eager to take her on and seconds after they arrived, they pounced on Ellen and stripped off her clothing. We were naked in minutes and the men had their hard cocks all ready as Ellen stared, probably wondering if she had made a mistake.

---

*I was the last to ream my wife and by that time she was leaking cum like a whore. Her ass was scratched and her cunt was red and yet she kept pumping my prick almost by instinct...*

---

"First, I had them line up and my wife went from one to the other and sucked each cock to make them as hard as possible. Then I asked Eddie to lay flat on the floor and Ellen to circle her hips over his cock which he could screw up her blazing hole. While Ellen rode Eddie's prick, Carl kissed her open mouth and I played with her breasts. Then we changed places with Charles and Ken getting in on the fun while we stood there, frigging and watching.

"Then we had Ellen drape herself over the edge of the bed while we pounded into her soaked cunt, one at a time. Carl got so hot, he jerked off on her sweet round ass. After we each had a turn at her hole, Carl slammed his prick into her mouth and fucked it while the others amused themselves with her body. Eddie had two fingers up her asshole and when I saw that, I smiled because she was exceedingly tight. I asked Ellen if she was enjoying herself and she said, 'I'm sore. I give up. Okay guys, let's quit. You win!'

"'I wanna fuck the bitch's asshole,'" Ken said, picking her up and turning her down on her stomach. What the hell, it was only an ass fuck by a couple of guys—it wouldn't hurt her—maybe the bitch would like it!

"I was the last to ream my wife and by that time she was leaking cum like a whore. Her ass was scratched and her cunt was red and yet she kept pumping my prick almost by instinct. She was wonderful and I felt some pride in my wife when I shot my load into her rear

hole. I looked at the others. They were exhausted.

I fucked the ass off Ellen after that! One fantasy that really made my husband shoot up to a new sexual high was when I told him about the days when I was a babysitter. The best one was with the Carters who lived a few miles away. One night (and believe me I told Richie), this story is only a small part fantasy- it is mostly hot truth!

"Mr. Carter was taking me home in his car when he suddenly stopped on a dark corner near a cul de sac. I felt a thrill because he was so handsome and I

turned to see what he would do. "I think you are a very lovely little lady," he said, "and I want to give you a kiss for your thirteenth birthday, which I understand you celebrated last month."

"He took my chin in his big hand and moved my face to his and then kissed me on the lips. I felt his tongue force my lips apart and I opened them. Then he pushed his tongue into my mouth and began to suck my tongue.

"It was then I realized that his hand was pushing down into my jeans and I began to wonder. It felt good but if anyone ever learned what was happening, I would lose my job with the Carters. Now he opened the top button and unzipped my jeans as he tongued my mouth. His hand was in my underpants and then on my pussy which was growing hot and itchy. He asked if I ever had a boy touch me there and I said no, but I touched myself sometimes.

"That's a good girl," he whispered. "Your love nest is so deliciously warm and nice." His hand massaged

me and every once in a while a finger probed at my pussy lips.

"Then Mr. Carter undid my bra and reached into my top to rub my titties as he continued to kiss me. When he suggested we drive two blocks to the lake, I didn't disagree. He wouldn't let me straighten my clothing on the way, and I noticed a big bulge in his pants that he kept rubbing. I guessed it was his thing and it was hurting him.

"When we got to the shore he said we should take our clothes off that we would be more comfortable. I was afraid but he told me that if I didn't he would tell my parents and Mrs. Carter and I would lose my job. I didn't want that so I agreed to take my things off. Finally, I stood in the cool night air in my white cloth bra and underpants. He opened my bra and said I

---

*He had me pull on his prick and said nice girls sucked their boyfriends' pricks and if I would suck him, it would be nice. It was so big, I thought I would choke on it as I sucked...*

---

had such pretty titties. He rubbed my soft nipples and began to kiss me again.

"He got up and took his clothes off and I saw his big dick. It was hard and long and he began to pull on it and slap it. Then he showed me his balls which were big and hairy and there only seemed to be one but he explained that they were both in a sack and he let me hold them. They were very heavy and hot. I told him and he laughed and said I was responsible.

"He had me pull on his prick and said nice girls sucked their boyfriends' pricks and if I would suck him, it would be nice. It was so big, I thought I would choke on it as I sucked hard and squeezed his ball bag as he told me. I kept sucking until I felt his hips tremble and he started to jam it into my mouth so it touched my throat. Then suddenly I had a mouthful of cum and when I tried to spit it out, Mr. Carter said I had to swallow every drop. It really wasn't that bad I decided later, licking it off my lips.

"I saw Mr. Carter many times during the next year. He was really a nice man and I felt so sorry for him because he said his wife was sick and couldn't do some of the nice things I could do for him."

Richie loved that story-and he loved playing Mr. Carter. You can get and stay on a sexual high. As one expert said, "Love starts in the mind and works down to the essentials!"

### Club Roll

If you really want to score, hang out at a club. All the girls are exhibitionists and after they get out on the floor for a few minute, they are hot to the point of no return.

I usually watch for one of those bitches with the dreamy look who dance all by themselves but have a look on their faces like a movie star is in front of them playing with his cock. I simply take Burt's place and say, "You're a great dancer. Will you teach me that move?" If she responds, I keep complimenting her.

I met Laura that way. Half an hour later I took her into the coat-check room and fucked her standing up.

I don't overlook the couples because sometimes guys cut loose from their dates and glom onto some other hot number. When this happens I know the bitch is pissed and she's much easier to convince her that she should be fucking instead of fuming. It was that way with Barbara when I saw her date had disappeared with a cute little number.

I rambled up and whispered, "I know it's none of my business, but I think it's terrible, that he came with a gorgeous girl like you and he disappears with some slut. Maybe I could take you home or something, or buy you a drink? Some guys appreciate a woman like you."

I could hardly believe my luck that she left with me that minute

and only 20 minutes after that I turned into the local lovers' lane. I said I had to tell her I was falling in love with her and she was responsible for the fact my sex urge was at a dangerous high.

She absorbed this shit with a sweet smile and said I had quite a line. Then I said I would like to get down to business: the basic and when she asked what that basic was, I said, "My first basic is kiss-

ing you," as I began to tongue her wide-open mouth.

She didn't stop me from playing with her big titties and when my hand wandered under her dress, she let me pull her panties off. Spreading her cunt lips apart, I shoved a few fingers into her soaking wet pussy and she sighed. The hairs around her pussy were matted with her cum and warm enough to be declared a fire hazard.

When I slipped my wang out she grabbed it eagerly and began to frig it expertly. Then she leaned down and took the whole length into her willing mouth. She was sitting on the palm of my hand and I goosed her gash as she pumped my prick with her mouth. After a while, I squirted my serenade of love into her mouth and she swallowed every drop and licked me clean.

Ten minutes later I was hard as a judge's heart again and I pushed into her gash and pumped her while she called me "honey," "cutie," and all that crap.

The next time I saw Babs at the club and suggested we car pool our talents, she stared hard at me and coolly said, "Pardon me, do I know you?"

"You did blow me," I offered, "and I think you know me too."

"Filthy jerk!" she hissed and turned back to the wimp who was buying champagne cocktails for her. I sure can't figure women out.

## Adrenalin Rush

I work as a night watchman in this large department store, and my partner is a young, good-looking brunette named Valerie, believe it or not. I took a lot of ribbing from my friends at first, but they do not know just how accurate their kidding was.

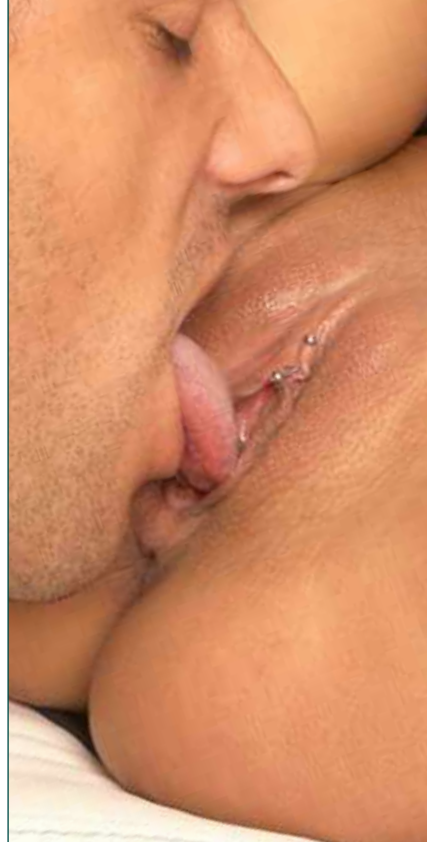

Valerie and I got it on frequently at work, mostly oral sex because she is afraid of pregnancy. You see, I am a man of 56, widowed for over five years. I never even tried to get any young chicks because of my age, but I had this big pile of nude magazines which I would look through between rounds at work and dream and beat my meat.

When Valerie first saw one of my mags she grinned and shook her head. But, she would go through them with me too out of curiosity, sitting beside me at the guard desk, the mag in front of us. "She has a good figure," she would murmur beside me now and then. "Nice titties, cute nipples." Or she would say, "Look how she's holding her pussy open. You could drive a truck into that one!" Or, "My God, look at all the hair that one has!"

One of my favorite photos was of a redhead on her knees and elbows with her bare ass aimed at the camera, showing every secret she owned. One night, when I was gazing at the redhead Valerie said, "What would you do with something like that, Larry?" She was grinning impishly at me.

I grinned back. "Eat it," I said simply.

"You like to eat those things, do you?" she nodded, her eyes shin-

ing. "Well, I've never met a female yet who didn't like getting eaten." She turned and walked away, her plump little ass sort of wiggling in the tight seat of her uniform trousers.

We talked about eating cunt a lot after that, and I would get some of the damndest hard-ons. I liked to hear her talk about pussy, but I never dreamed that she would let an old guy like me eat her. She liked getting her pussy licked, she told me, but the guy she was go-

ing with wasn't into doing it to her. I was not catching the hints she was tossing nightly to me.

Then, one night it happened. Valerie got tired of waiting. I was sitting at the guard desk leafing through a girlie mag when she came over and pushed the mag aside, and stepped between me and the desk. She was leaning her cute ass against it, and her swollen cunt mound was near my face, pressing into the crotch of her pants.

"What's wrong with me, Larry?" she blurted. "Why won't you do it to me? I'm clean and I've waited long enough. What do you want me to do, pay you for it?"

"I didn't think ... I didn't know ..." I gaped, understanding then. But she was already undoing her pants, sliding them down her legs. She stepped out of them, and there before me—something like a foot away—was one of the prettiest little pussies I have ever seen, swollen forward, virtually hairless. It was surrounded by the creamy flesh of her belly, hips and thighs.

I looked up and gulped. She smiled back down at me. "You aren't going to make me wait any longer, are you?" she murmured. She lay back gracefully on the desk top, her knees lifting and opening in warm invitation. I saw her little cunt in all its beauty; the short coral-like lips of it, the taut, wet crack, the curly brown hair lining that crack, the lower cheeks of her lovely ass.

I grasped her naked hips with my hands and leaned forward, still unable to believe it. To say that I devoured her pussy is an understatement at best. She had two great big orgasms, twisting her ass and climaxing in my face, crooning softly

to me both times.

We were both late in checking in at the clock stations at the proper time, but we told the boss that we were investigating a suspicious sound and simply did not get to them on time. Luckily, he bought the story.

I bet I have eaten more delicious cunt in the past six months than any guy in the city. To say that Valerie likes her pussy eaten is a complete understatement too. I have never known a chick to be as wild over getting eaten as Valerie is. She will give me some good head too now and then, and once in a great while we even fuck. But, her favorite is being cunt-lapped. I'm not bitching, either.

We even have a little hide-and-seek game that we play once in a while. Valerie will strip and hide someplace in the store, and I go on the hunt of her. If I find her she has to let me do what I want on the spot. We get a big charge out of that game and we have a blast.

— Mr. L.A. Seattle, Wash.

## *I'll Be Back*

Linda and I had a few dates back when we were in college. Over the years, we both got married (not to each other), and now that time has passed and we're both divorced. Recently, an opportunity presented itself to get to know each other better and we took advantage of it.

I maintain a property across from where Linda now lives. One day in the late afternoon, Linda saw me, came over and asked if I would like to join her for coffee. I took her up on her offer and we sat and talked about our pasts and

our families and enjoyed the coffee and each other. As we sat conversing, Linda said her back was itching and tried to scratch it but couldn't reach it.

I volunteered to take care of the itch and began to scratch her back. I began to rub and massage her neck and down the muscles of her back. She began to relax from my rubbing and told me not to stop.

After about ten minutes, Linda

got up, took my hand and told me to come with her. She led me to her bedroom where she sat on the bed and had me stand in front of her. She then smiled at me, reached over to my jeans, unzipped them and pulled them down to my knees. Then without hesitation, she pulled down my boxers to reveal my now hardening cock.

Firmly, she took my cock in her hand and brought to her mouth. With her free hand she reached up and cupped my balls as she was ministering to my now erect manhood with her mouth. I felt her pull on them and lightly scratch them at the base of my scrotum.

As her mouth slid further down my shaft, she began to apply a soft suction taking my rigid manhood into hot moist mouth. Holding it there, her hand pumped my shaft as her tongue swirled around the tip.

She had a way of applying the right amount of suction and pressure while foundling my balls. About fifteen minutes was all I could take and I placed my hands on the back of her head and pulled her closer to me as she took more of me into her mouth. I let out a small groan and held her head as my cock contracted and I began to shoot my hot sperm into her mouth.

With this, Linda began to suck harder and when I finally stopped ejaculating, she opened her mouth and I saw that she had swallowed every last drop.

I stood there for a minute but got myself together to tell her that I had to go. But her frown turned upside down when I told her I'd be back at six for sex.

## CAPRIS

Shy (not really!) Capris has three hot holes that are aching to be filled with dick. Lucky for her, there are a couple guys nearby wanting a piece of her body. Oliver's laying down some tunes while Sebastian is ready to lay down Capris. Can she handle all that cock? Apparently, as she does a great job alternating between cocks when she's on her knees, but once her legs are spread she can take them in a sensational double penetration, Enjoy! And we mean it!
